ecutive Direction Banquet to Be a Brilliant Function Tuesday

inctions of the year will be the President's Banquet of the Rotary club on next Tuesday evening at 8 o'clock at the Putnam House. Extensive preparations are being made for the event, the big dining room being practically reconstructed for the affair under direction of M. A. Mur-

well as many residents, both ladies and gentlemen of Palatka. It will also be the occasion of the election of officers for the coming year and the awarding of a silver loving cup to under 14 will not be admitted unless equipped with a comfort and emerthe Rotary team showing the best by written permission from their gency room for the ladies. It is well attendance during the last year.

LAKELAND TO ISSUE BONDS TO MAKE UP DEFICIT

(By Associated Press.)
Lakeland, Jan. 21.—Lakeland citizens will vote February 9 on a special bond of \$100,000 to care for obligations due, which. Affelals declare, with Mr. Johnson, and a speaker of before attending the services. approximately \$90,000.

Mayor-Elect Petteway has declared that if the voters fail to authorize the bond issue "it would be just about up to the commissioners to resign and declare the city bankrupt. The city certainly needs the money; bills have been piling up month after month until employees are unpaid and we are in a bad fix because we are unable to meet our obligations."

1. C. C. ORDERS RATES ON HARDWOOD LUMBER CUT

(By Associated Press.)
Washington, Jan. 21—Rates on hardwood lumber were ordered reduced by the interstate commerce commission yesterday to a basis of not to 11 cents per 100 pounds above the schedules obtained er the Epiphany, January 22. 7:30, in 1920, before general rate increases holy communion; 9:45 church Sunday were put into effect. Railroads were school and Bible classes; 11 o'clock, pire from the Irish settlement. instructed to make the new schedules morning prayer, Litany and sermon. effective not later than March 5.

Transmutes Metals.

Dr. Charles Benson Davis of New York city claims in a paper which he cently Delivered False Notion of the has prepared and submitted to Engineering Foundation, that he can make and has made some of the chemical elements, such as gold, silver, platinum and copper, by transmutation of a common element, the Scientific American REGULATING SPEED DEMONS says. He has shown samples of the metals he claims to have made to members of the Engineering Foundation, and has requested that body to Investigate his claims and his methods

PASCO COUNTY SHERIFF

HAS CARNIVAL TO SELL Dade City, Jan. 21 .- At least one carnival company operating in Florida this winter has had hard sledding, for the sheriff of Pasco county has taken it in charge. The show opened here for a week but failed to pay the city license tax. Payment was postponed a few days and last Saturday, when the carnival expected to wipe the clate clean with its earnings, the day was so cold the expected crowds failed to materialize. The issued and the sheriff took charge of the show.

judge who will give the advantage to boot leggers against the church. When you have a Mayor, sheriff or chief of police who are trying to carthem we are standing back of you. But if some are enforcing the law to the best of their ability, God help them.

Church Members Weak.

Too many church members are not morning so badly mauled that it had worse plight than anyone present God. They will sit and see their children dragged down to ruin and not say a word. In every community there is a slop jar church ready to encourage disgruntled members of an other church and run after anything to get a membership. A church stands for something. Brave men can do more good in a church than any where else in the world. There has never been a better day for Palatka to show courage for the right. It is not the looking to the Genoa conference to league of nations that should absorb our interests but it is war in Palatka and Putnam county against the deam going to stand to the last ounce of
